Quantity Limit Requests:

What is the quantity requested per DAY? _____

What is the reason for exceeding the plan limitations?

- Titration or loading dose purposes
- Patient is on a dose-alternating schedule (e.g., one tablet in the morning and two tablets at night, one to two tablets at bedtime)
- Requested strength/dose is not commercially available
- Other: _____

For continuation of existing therapy, also answer the following:

Would sudden discontinuation of the dose trigger withdrawal symptoms? Yes No

Would discontinuation of the dose be unsafe for the patient and their condition may worsen or exacerbate? Yes No

Is the prescribing provider attempting to taper or reduce the dose necessary? Yes No

For opioid medications, also answer the following:

Has the patient been titrated up to and is stable to the applicable dose? Yes No

Is the prescribing provider appropriately monitoring the applicable dose? Yes No

Is the requested medication being used for an acute injury (i.e. bone fracture)? Yes No

Are there any other comments, diagnoses, symptoms, medications tried or failed, and/or any other information the physician feels is important to this review?

Please note:

This request may be denied unless all required information is received.

For urgent or expedited requests please call 1-800-711-4555.

This form may be used for non-urgent requests and faxed to 1-800-527-0531.
