### Quantity Limit Requests:

What is the quantity requested per DAY? \_\_\_\_\_

### What is the reason for exceeding the plan limitations?

- Titration or loading dose purposes
- Patient is on a dose-alternating schedule (e.g., one tablet in the morning and two tablets at night, one to two tablets at bedtime)
- Requested strength/dose is not commercially available
- Other: \_\_\_\_\_

### For continuation of existing therapy, also answer the following:

Would sudden discontinuation of the dose trigger withdrawal symptoms?  Yes  No

Would discontinuation of the dose be unsafe for the patient and their condition may worsen or exacerbate?  Yes  No

Is the prescribing provider attempting to taper or reduce the dose necessary?  Yes  No

Are there any other comments, diagnoses, symptoms, medications tried or failed, and/or any other information the physician feels is important to this review?

---
